# Haggai's Word Search

Haggai was a prophet who reminded the people that it was not right for them to live in fine houses when God's temple was still in ruins. The people had begun repairing the temple, but when disagreements and other problems came up, they stopped working. Haggai challenged the people to return to rebuilding the temple. The people followed Haggai's challenge and the work on the temple started again. You can find this story in Haggai 1:1-15.
