REVIEW GAME

Write the following questions and answers on separate 3 x 5 note cards. Lay the question cards face down and the answer cards face up. In turn, each child should choose a question card, read it, and try to find the correct answer. If he does, he keeps the question card only (answers remain in view for the entire game). If incorrect, he must put the question card back, face up this time. The next player takes a turn the same way, but may now choose a new question or try to answer any one that has been previously missed. Any child with a card at the end of the game "wins".
